Bike Escorts currently has one group ride meeting at Acme Bicycle Shop every Saturday at 3 p.m. During this ride you can request where the route will take you and learn the city and safe riding practices.

Critical Mass rides start at the Sunfresh in Westport every last Friday of the month. Meet up time is 6 p.m. and the ride usually starts rolling around 6:30 p.m. This is a slow paced group ride that takes a different course each time through out the city.

Our representatives are available to give an overview of the services Bike Escorts can provide. If you have questions or would like to receive an update on our services and escort zones, please contact us!
